

Morton Arboretum
October 22, 2017

Please join the Prairie Club Activities Group for a hike at the Morton Arboretum in Downers Grove, Il, on Sunday, October 22 at 1:00 PM. The Morton Arboretum was established in 1922, and now encompasses 1,700 acres and 16 miles of hiking trails. Hopefully we will see the "last rose of summer", and the fall colors.

We will meet in front of the Visitor Center, and have lunch at the Ginko Café, and then hike approx. 2 hours. (or longer if you wish). The charge for entry to the Arboretum for non-members is \$14.00 adult / \$12.00 senior. Please bring plenty of water, sun protection, and comfortable walking shoes.
