

Activities Committee Report 2019

The Activities Committee offered an average of two outdoor opportunities per month this year. Our turnouts were good year for walking/hiking and kayaking with the Prairie Club. As always we have Club members and friends who are not Club members participate in our activities.

Some of our highlights have been kayaking the Galien River, the Du Page River and Skokie Lagoons as well as an array of hikes including our annual half way around Lake Geneva.

We have carried on the Club's original mission of getting people into the out of doors for recreation and improved health. We also believe that getting people into nature makes people better stewards of nature.

Activities Committee:

Arthur Anderson

Carolyn Edison

Louisa Gehlmann

Hope Little- *Chair*

Terry Riban
