

Buena Vista 2019

Buena Vista continues to be a favorite go-to spot for gatherings of all sorts.

With its wraparound screened porch, there is plenty of protected outdoor space for eating, crafting, reading and conversation. There are 3 beds on the porch for open air lounging and sleeping. The outdoor area around the cottage has been cleared, so the views into the surrounding woodland are especially nice.

Each side hosts 2 baths, 3 bedrooms, kitchen, living and dining areas, as well as a wood burning fireplace. Each is fully stocked with all the amenities needed for a lovey time at camp. We strive to make Buena Vista a comfortable and homey place – each season we update where needed and are always looking to improve the spaces for members and guests.

The entire cottage can be rented as an exclusive, or one side can be rented for smaller groups. During peak season, rentals are limited to 1 week. During the off season, weekend rentals are available. Buena Vista is open mid-May through October.

Keep Buena Vista in mind for family gatherings of all sorts, it is a wonderful spot in beautiful Camp Hazelhurst!
