

Camp Hazelhurst - 2019

There has been much activity at Hazelhurst over the past year. A Major Project milestone has been reached.

A Pavilion near the farmhouse, a project that has been in discussion for several years, has finally come to fruition. Last summer, a Pavilion Committee, chaired by Charlie Johnson, developed a proposal to build a pavilion near the farmhouse. The Pavilion Committee initially presented an early version of their proposal to the Operations Committee, following which a town meeting was held in the barn to introduce the project to siteholders and to gather feedback. On the basis of these discussions, the project was introduced at the first siteholder's meeting in July. A more precise proposal was presented for a vote at the August siteholder's meeting. The Pavilion was approved by the required 2/3 majority of siteholders.

In the interim, the Pavilion Committee has solicited funds for the project, as the plan is to use \$50,000.00 from the HH Improvement Fund and \$50,000.00 from siteholder donations to finance construction of the pavilion. As of January, 2020, the Committee is well on its way to obtaining the necessary funds. Plans, as of this writing, include presenting the pavilion proposal to the Prairie Club Board at the May meeting. Assuming that the plan is approved and funding is in place, the Pavilion Committee anticipates obtaining bids and permits over the summer of 2020, with a projected start date in early autumn.

The Rental Facilities, Farmhouse, Family Cottage and Buena Vista along with their respective Chairpersons; Deb McGrath, Barbara Wittersheim, Carla Klausler, Paula Flanagan and Bev McBrein are considered to be one of our greatest assets. Their efforts must be appreciated. Last year, among other upgrades, Buena Vista and the Farmhouse have received new furnaces, making sure that both facilities will be open into the autumn. Last but not least, the Family Cottages have just received a new deck on the entrance side, to facilitate renters moving in and out, and possibly just sitting back and enjoying the forest.

Hazelhurst has several committees responsible for the many operations and activities of the camp and we would like to recognize and thank them for their continued work. The Committee Chairs for 2020 are:
